Regarding: RESCINDING OF NON-PUBLICATION REQUEST

Comments:

I called today to check on why my patent application 98/800.870 (3-7-01) had not been published.

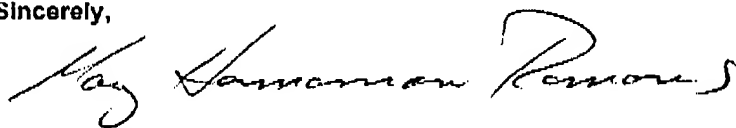

I was informed today by the EBC that the patent application had a nonpublication request tagged on it on the computer when pulled up, but there were no supporting documents listed. Such a request would have been filed at the time of the original application.

Please clarify this situation of a nonpublication status without the supporting document.

Page 2 of this is PTO/SB/38 form to rescind such a request, if present.

Please correspond by e-mail.

Sincerely,

Mary Hannaman Romans

Mary
